

RAMAKRISHNA SARADA MISSION VIVEKANANDA VIDYABHAVAN

PROSPECTUS

HISTORY

Even before Swami Vivekananda founded the Belur Math in 1898, he wanted to establish a Math for women with the Holy Mother Sri Sarada Devi at its centre. Based on his ideals, it was during the Holy Mother's Birth Centenary, that Sri Sarada Math came into existence on **2 December, 1954**. In **1960**, the Trustees of Sri Sarada Math founded the **Ramakrishna Sarada Mission Association** with the object of propagating educational, cultural, charitable, medical and similar activities among women and children.

Through the headquarters at Dakshineswar, Kolkata and its various centers in different parts of India, the Ramakrishna Sarada Mission seeks to serve women and children in all possible ways, irrespective of caste, creed, colour and nationality. At present, the Math and Mission run about 30 centres in different parts of India and abroad.

Ramakrishna Sarada Mission Vivekananda Vidyabhavan, a partly residential degree college for women, was the **first educational institution** started by the Ramakrishna Sarada Mission. It came into existence in **1961** as a humble effort to carry out Swami Vivekananda's ideas of education among women. The inaugural meeting to set up the college took place at the **30 bigha plot donated by Late Debendra Nath Bhattacharya**, on 10th March 1961; these beautiful grounds later become the college campus. The meeting was presided over by **Most Revered Swami Madhavananda Maharaj**, the General Secretary of the Ramakrishna Math and Mission. Housed initially in a one room makeshift structure, with thirty-one students and handful of young, idealistic and enthusiastic teachers and monastic members, the college today stands among the premier women's institutions of the state.

AIMS AND OBJECTIVES

"The uplift of the women...must come first and then only can any real good come about for country, for India." – Swami Vivekananda

Education, according to Swami Vivekananda, is not the amount of information that is put into one's brain, and undigested, runs riot there. In his opinion, the balanced combination of secular and spiritual training constitutes the true economics of education.

Ramakrishna Sarada Mission Vivekananda Vidyabhvan is founded on the ideals of Swamiji. "It is not possible for a bird to fly on only one wing," he felt. He believed that society cannot progress depending on men alone. It has to harness female power too.

The college marks a bold departure from the existing pattern of educational institutions. It provides a peaceful academic environment, ideal for pursuit of studies. Here, the

students are placed under the direct supervision and care of dedicated teachers and monastic members of Sri Sarada Math and Mission.

The system enables the students to come into intimate contact with the teachers and to receive an all-round education in an atmosphere of serenity, peace, discipline and morality. The institution helps to nurture and strengthen the physical, intellectual, moral, and spiritual faculties of students. The college does not believe in churning out good students defined solely by academic results, but aims at building confident and self – reliant human beings with human principles and a strong sense of responsibility towards society. It works toward creating an ideal society based on the principles of equality, freedom, justice, tolerance, and respect for religious diversity and moral values, emphasized in the constitution of India.

In order to further the vision of self-reliance and strive towards the cause of women's empowerment, the College has recently started the **School of Professional Studies**. Under its aegis, RKSMVV offers a bouquet of add-on professional courses.

LOCATION

The college is located at 33, Sri Maa Sarada Sarani, Dum Dum, Kolkata 700055. The sprawling 30-bigha campus is situated in green and picturesque surroundings, a welcome refuge from the din and bustle of city life. It is 15 minutes away from the nearest metro stations-Belgachhia and Dum Dum, and is connected to both by regular bus and auto-services. The bus routes include 3C, 3C/1, 3C/2, 30, 30D, 79B, 79C, 93, 221, 223, 219, 227, DN8 and DN18 (Bus Stop: Jessore road - Dum Dum Park and Shyamnagar).

The teaching staff is fully integrated into the students' cultural and other extra-curricular work through several committees set up for this purpose.

❖ Cultural Competitions

Cultural competitions are an eagerly awaited annual affair, aptly named SRIJANI, spread over 4-5 days, offering students an opportunity to nurture and cultivate their talents and interests in such diverse fields as music, dance, painting, recitation, creative writing, debating, and oratory.

❖ Sports and Games

Regular training under a qualified Sports Teacher is conducted round the year for interested students. Annual sports are held in the college grounds every year in winter.

❖ Magazine and Wall-Magazine

Students' creativity is further demonstrated through the regularly published College Magazine and Wall Magazines put up by the students of various departments.

The college has quite a few underprivileged neighbourhoods around its vicinity, which were catered with provisions by the college itself so long, and now they have been taken under the wings of NSS-RKSMVV. A variety of campaigns and activities have since been conducted and held. The NSS kick started its innings with an Anti-Plastic campaign to arouse a consciousness amongst the underprivileged not just about the harmful ills of using plastic, but also about the options available to them instead.

A Blood Donation Orientation Camp was conducted prior to the blood donation camp, to address the various questions and prejudices, and pre-conceived notions relating to blood donation. A door-to-door Dengue campaign had been organized by the volunteers to create awareness.

The Menstrual Health and Hygiene Awareness Programme, a topic much ignored and most in need for attention, was conducted by the NSS team.

Even during the pandemic, the NSS, living by its motto, had come forward and selflessly served these communities, beginning with COVID awareness to supplying provisions that come under necessities; all of which had been carried out on behalf by the college monastics.
